ACCOMMODATIONS

The good times continue when the sun goes down when you camp overnight at a Montana State Park. Put up a tent, park an RV, sleep in a tipi or enjoy a unique overnight stay in a yurt.

Twenty five state parks offer more than 800 campsites. Nearly 500 campsites can be reserved in advance by phone or online. Reserve a campsite 9 months in advance, or with as little as two days notice. All remaining campsites are first-come, first-served.

Cabins are available only at Lewis & Clark Caverns year round by reservation. All three cabins are furnished with beds, table and chairs, and electricity. Cabins sleep up to 6 people and are a comfortable retreat at the end of the day. Grills are outside each cabin and flush toilets and shower facilities are a short walk away. Water is shut off from the first part of October to May.

Three yurts—circular, domed tents used by nomadic tribes—are available at Big Arm overlooking Flathead Lake during summer months. Yurts sleep 4 to 6 people and are furnished with beds, table and chairs and electricity. Reservations are required.

For a unique camping experience, try one of five Sioux-style tipis that can be reserved at Bannack, Beavertail Hill, Makoshika, Missouri Headwaters and Lewis & Clark Caverns state parks. These 18-feet in diameter canvas lodges sleep 6-8 people.

Group camping sites at Bannack, Big Arm, Cooney, Lake Mary Ronan, Lewis & Clark Caverns, and Thompson Falls state parks may also be reserved and require a special permit.

For more information on accommodations in the parks and reservations, visit our website at stateparks.mt.gov, or call (855) 922-6768.

PARK FEES

RESIDENTS:

"Your vehicle registration fee is your Montana State Parks pass" Montana residents' annual \$9 light vehicle registration fee allows for no daily entrance fees at state parks.

DID YOU KNOW?

Since 2004, your vehicle registration support is the largest source of funding for Montana's 55 State Parks.

- Your State Parks receive no general fund dollars and no funding from hunting and fishing licensing.
- Your support means no daily entrance fees when you visit our State Parks.
- Your support helps our parks with maintenance and operations.

For just \$9, it costs less than one movie ticket or a couple of fancy cups of coffee to have fun, make memories and support Montana's natural, cultural and recreation heritage now and for generations to come.

WHERE DOES THE \$ 9.00 VEHICLE REGISTRATION FEE GO?

Funds are used for maintenance and operational costs at these state-owned facilities:

\$6.24 Montana's 55 State Parks

\$0.50 Montana's 336 Fishing Access Sites

\$0.39 Virginia and Nevada City Heritage Sites

\$1.37 Community Recreation Trail Grants

WHAT ABOUT VISITORS WHO ARE NOT RESIDENTS OF MONTANA?

Non-resident visitors are required to pay day-use fees of \$8 per car. Non-residents may obtain a Montana State Parks Annual Pass for unlimited day-use access. Passes are \$50 per vehicle. For shorter stays, a 7-day entrance pass is available for \$35. Passes can be purchased at any state park, at regional Fish, Wildlife & Parks offices or online using FWP's automated licensing system. The non-resident pass includes a discount on camping fees.

The America the Beautiful National Parks and Federal Recreational Lands Pass is not valid in Montana State Parks.
