A corporation may delegate landowner preference to one shareholder. Only one person may be delegated landowner preference for each sole proprietorship, partnership or corporation. If the permit or license is only valid for a portion of the hunting district, the landowner must own the required acres within that portion. You may **NOT** apply for landowner preference if you applied as a party member. Lessees do not qualify as landowners. Please provide a copy of your deed to ensure quicker processing of your application. You must include a copy of your contract to buy if you are in the process of purchasing the property.
