

Off-Highway Vehicle Grant Applications

Name	Amount	Description
BLM Butte Field Office	\$16,000.00	BLM OHV Trail Stewards are responsible for minor trail maintenance, providing visitor information & education, monitoring for compliance with BLM's travel plan rules & regulations, monitoring for resource damage & visitor safety, and offering minor first aid assistance in emergency situations.
Great Falls Trail Bike Riders Association	\$20,000.00	The Great Falls Trail Bike Riders Assn manages an ongoing program to conduct trail clearing and tread maintenance on 3 mountain ranges with two Trail Stewards, providing ethics & education material to people they encounter on the Forest.
Ravalli County Off Road User Association	\$13,200.00	Develop new OHV routes in the Bitterroot National Forest by connecting 3.8 miles of abandoned logging roads with six short new trail segments totaling 1.1 miles.
US Forest Service	\$4,660.00	Critical repair and drainage maintenance for 1.5 miles motorized trail 2415 in the Benbow area of the Beartooth Mountains.
USFS-Beaverhead Deerlodge National Forest-Butte Ranger District	\$14,250.00	This project would complete important data collection of motorized trail system in Whitetail-Pipestone OHV area and also conduct OHV trail maintenance on the Butte Ranger District.
USFS-Bitterroot National Forest-Darby Ranger District	\$16,000.00	This project will involve trail maintenance on portions of the 83 miles of motorized trail on the Bitterroot National Forest, provide for resource protection and rehabilitation, and provide OHV safety and ethics education to the public.
USFS-Custer Gallatin National Forest-Ashland Ranger District	\$15,960.00	This project includes the maintenance and education to 430 miles of motorized trails on the Ashland Ranger District that is used by multiple users.
USFS-Custer Gallatin National Forest-Bozeman Ranger District	\$16,000.00	Improving Motorized Trail Conditions and Visitor Experiences on the Bozeman Ranger District. Providing a Seasonal Trail Steward to Increase Maintenance Capacity on an Additional 150 Miles of Summer OHV Trails.
USFS-Custer Gallatin National Forest-Hebgen Lake Ranger District	\$15,840.00	2021 funding for Hebgen Lake Ranger District's motorized trail maintenance, rehab and improvements, clearing motorized trails of debris, trail tread and switchback/climbing turn improvements, drainage work, brushing, maintain/improve signs on motorized trail routes.
USFS-Custer Gallatin National Forest-Yellowstone Ranger District	\$15,100.00	This project includes the maintenance of multiple-use motorized trails on the Yellowstone Ranger District. This proposal includes: clearing downfall, cleaning and installing drainage structures, public education, sign installation, and trailhead maintenance.

USFS-Helena Lewis and Clark National Forest-Helena Ranger District	\$16,000.00	The FS is requesting an OHV grant to fund the salary of the trail steward position; the two ranger districts manage a network of over 200 miles of motorized trail and the trail steward position is critical to keeping these trails maintained, safe, signed, and available for the public to use.
USFS-Lolo National Forest-Plains/Thompson Falls Ranger District	\$18,878.80	The grant will be used to fund a seasonal employee who will work with our trails crew to maintain OHV trails, patrol OHV trails and inventory needs on OHV trails.
USFS-Lolo National Forest-Superior Ranger District	\$19,999.61	User access improvement to the Savenac Creek area's motorized trail system.
\$201,888.41
