

Deer/Elk – HD 413, 445, 421

Draft Changes for 2022-2023 Hunting Regulations:

Change the boundary between HD's 445 and 413 and HD 421 (from proposal to combine 421 and 423) FROM Missouri River TO Interstate-15. Specifically, move the boundary from the River to the Interstate between Rock Creek (below Holter Reservoir Dam) and Cascade.

Biological Implications: None.

Social Implications: Clarifies HD boundary.
