

Elk – HD 401/403

Draft Changes for 2022-2023 Hunting Regulations: Remove HD 401/403 from 900-20 archery bundle. Both HDs become general archery season type. Maintain limited entry Either-sex rifle permits in HD 401. HD 403 becomes general Either-sex Elk season.

Biological Implications: none

Social Implications: Simplifies regulations by removing an LPT and a reducing the number of LPTs valid in multiple HDs. There is insufficient archery hunting pressure to warrant limited archery permits in HD 401. HD 403 is part of the Golden Triangle Elk Management Unit (EMU) and removing it from LPT 401-20 is consistent with the rest of the EMU.
