

Moose – HD 310

Draft Changes for 2022-2023 Hunting Regulations:

Minor addition of portion of current Moose HD 308 into Moose 310 to align with proposed deer and elk boundaries.

Total number of licenses issued would remain unchanged at 1.

Biological Implications:

The boundary change follows regulation simplicity directives with similar boundaries between species.

Social Implications:

None yet gathered.

District biologist:

Julie Cunningham
