

2023 Environmental Analysis Review Form

Outdoor Recreation Grant Programs

Review of Routine Impact Projects

Project Overview

Organization Applying for Funds: City of Fort Benton

Project Name: Fort Benton Levee Trail Restoration

Project Summary: Project involves widening and repaving existing trail

Project Location: City of Fort Benton

Environmental Form(s) Submitted with Application

Environmental Analysis Form	<input type="checkbox"/>
FWP Categorical Exclusion Form	<input checked="" type="checkbox"/>
USFS Categorical Exclusion Form	<input type="checkbox"/>
OTHER: (fill in)	<input type="checkbox"/>
None	<input type="checkbox"/>

Types of Impacts Identified

All routine maintenance outlined within the proposed project will take place within existing recreational trail corridors. No impacts were identified that would adversely affect the physical environment or human population.

FWP Notes:

Work will begin following Annual Summer Celebration Weekend (Last Weekend June/2023).

Utilize City employees and equipment :

- removal/pulverizing the existing asphalt
- widen trail to 8 feet
- Mix recycled asphalt with gravel
- Fill and pack creating the underlayment for the newly improved part of the trail bed.

Create a reasonable smooth surface free of loose rock, clods, holes, projections, depressions, and muddy conditions.

- Fill materials: recycled ground asphalt mixed with pea size gravel packed and leveled
- Pack the underlayment a minimum of 2 passes, using wheeled excavation equipment/manually directed power tampers/other approved method.
