Dear Chris,

Attached is a summary of our 1995 electrofishing efforts for the North Fork and Middle Fork of the Flathead. I believe Beth Gardner has already reported electrofishing efforts in the Swan and Stillwater rivers to Jim Vashro. I'll cc a copy to Jim to forward on to Janet to update MRIS. Any word on an electrofishing short course this summer? If so keep us informed. Enjoy the field season, it's right around the corner.

Sincerely,

Patrick Van Eimeren
