Laws and Rules

Aircraft Unlawful Use (MCA 87-6-208)

- A person may not kill, take, or shoot at any game bird from an aircraft, including a helicopter.
- A person may not use an aircraft, including a helicopter for the purpose of concentrating, pursuing, driving, rallying, or stirring up any game bird.

Artificial Light (MCA 87-6-401) – It is unlawful for anyone to take or attempt to take any game bird with the aid of projected artificial light. Use of rifle scopes that project an artificial light to illuminate the target or project infra-red light visible only with specialized optics to illuminate the target are unlawful for the taking of game birds.

Baiting (MCA 87-6-401, CR)- It is unlawful for anyone to hunt or attempt to hunt by the aid of or with the use of any bait, salt lick, trap, snare or set gun. Baiting shall mean the placing, exposing, depositing, distributing, or scattering of food sources or salt so as to constitute a lure or attraction.

Check Stations (MCA 87-6-218)– All hunters are required by law to stop as directed at all designated check stations on their way to and from hunting areas, even if they have no game to be checked.

Evidence of Sex (MCA 87-6-406, CR) – No person shall transport within the state any turkey taken during the spring (male) season unless one leg and foot are left naturally attached for evidence of sex. The leg and foot shall remain attached at all times while being transported from the place where taken until they have arrived at the permanent residence of the possessor.

Hunting Hours (CR) – Authorized hunting hours for the taking of game birds begin one-half hour before sunrise and end one-half hour after sunset each day of the hunting season. See the official Sunrise-Sunset Tables listed on page 4.

Indian Reservations (CR)

- The FWP Commission has, by rule, closed all lands within the exterior boundaries of Montana's Indian Reservations to the hunting of turkeys with the use of state licenses unless provided for in a cooperative agreement between the Tribal Government and the State of Montana.
- Deeded "fee" land within the exterior boundary of the Crow Reservation is open to hunting with a State of Montana Turkey license.

License Validation/Tagging (MCA 87-6-412)

- A hunter must cut out the proper month and day of the kill from the appropriate license and attach it to the animal before the carcass is removed from the site of the kill, or before the hunter leaves the site of the kill.
- To properly validate a license (sometimes referred to as a tag):
 - The triangles denoting the month and day the animal was killed must be completely cut out and removed.
 - The properly validated license must remain with the meat (including cold storage) until consumed.

Motorized Vehicles (MCA 87-6-405) – It is unlawful for anyone to hunt or attempt to hunt any game bird from any self propelled (motorized) or drawn vehicle. Recorded Animal Sounds (MCA 87-6-401)– It is unlawful to use any recorded or electrically amplified bird or animal calls or sounds or imitations of bird or animal calls or sounds to assist in the hunting, taking, killing or capturing of any wildlife except predatory animals, wolves, and those birds not protected by State or Federal law.

Wild turkey Specific Regulations (MCA 87-6-401, CR)

Wild Turkey may be taken with:

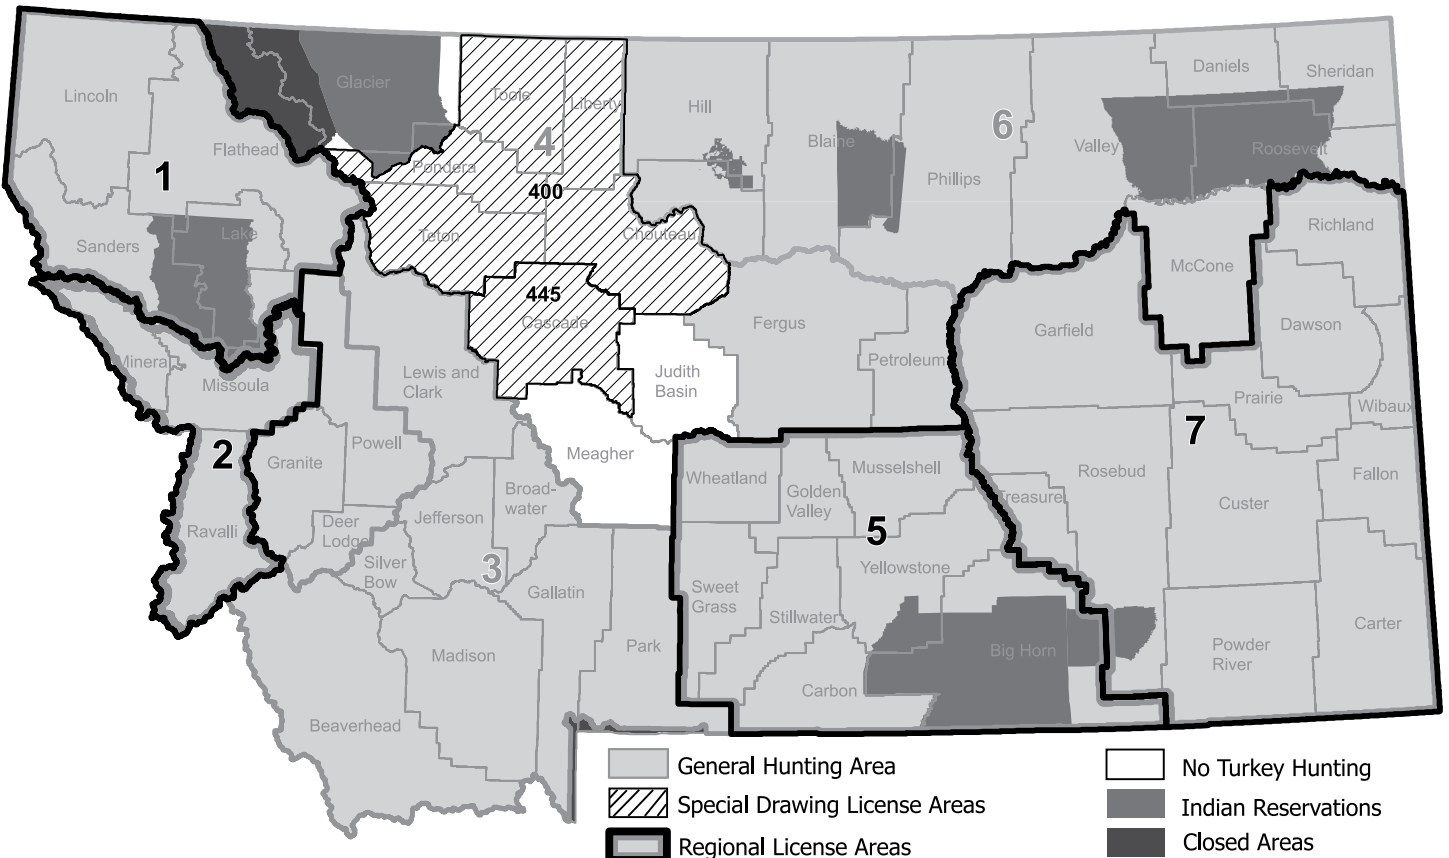

- a shotgun not larger than a ten gauge;
- a long, recurve or compound bow and arrow;
- A rifle, handgun or crossbow may be used during the fall season except in areas with weapons restrictions limiting their use.

Stay Safe When Hunting Turkeys

Turkey hunters routinely sit camouflaged and motionless near a turkey decoy while calling with a mouth or hand call. Other hunters may not recognize you as a fellow hunter and could accidentally fire their weapon at you or in your direction. To avoid this circumstance:

- Don't wear turkey colors; avoid white, red, black and blue.
- Select a calling position in relatively open cover. Never move, wave or use a turkey call to alert another hunter; remain still and verbally announce yourself.
- Pay attention to the wildlife behavior; they may help you detect an approaching hunter.
- It's a good idea to wear hunter orange when carrying a turkey out of the field.

Turkey Hunting Areas

Hunter Land Access

Private Land Access – Montana law requires permission for all hunting on private land.

- Even if the land is not posted, hunters must have permission from the land owner, lessee, or their agent before hunting on private property, regardless of whether the land is posted or not.
- Access to public land through private land requires permission of the private land owner, lessee, or their agent. Retrieval of all wildlife through private land requires permission of the private landowner, lessee, or their agent.

Railroad Access – Railroads and railroad right-of-ways are private property and may not be hunted without permission, nor should they be used as access to other lands (private or public) without explicit permission from the railroad.

State School Trust Lands

- A Conservation License provides hunters, anglers and trappers access to lawfully accessible State School Trust lands.
- Overnight (2-night) camping is allowed within 200 feet of a lawful access point.
- Motorized travel is only allowed on public roads or on roads designated as open.
- Firearms may not be discharged within one-quarter mile of inhabited dwellings or outbuildings on state trust lands without permission of the inhabitant.
- Game retrieval is by foot or horse only.
- No open fires are allowed except in designated campground fire pits.
- Additional information is available from FWP or contact DNRC at (406) 444-2074.
